

# Galle Face Regency

Colombo • Sri Lanka

Galle Face Regency is the more upmarket wing of Galle Face Hotel, and enhances its reputation for a contemporary colonial feel. Completed in 2006, it blends seamlessly with the older part of the hotel, its stately wooden panelling and floors, and staunchly Victorian rooms, resonant of a bygone age. Like the older part of the hotel, the Regency retains the dignified and polite atmosphere that brought fame in the colonial age.

Galle Face Hotel, once the mansion of a British Governor, is a masterpiece of Victorian architecture. The Regency wing has 82 rooms of various types – ask us for details. The original and Regency wings share facilities including the Verandah Restaurant, Seaspray fish restaurant and a sedate fine-dining restaurant. A sunset drink on the verandah has everlasting charm, whilst the Inn on the Green attracts a younger crowd. There is a wine lounge, snooker room, small museum and gallery, business centre and swimming pool. Sports facilities are limited.
